WORK EXPERIENCE

DzynLit, Remote

August 2026 – October 2026

Part-Time UX/UI Designer

- Prototype functional, interactive demos with AI tools, moving clients from concept to testable product efficiently.
- Integrate AI into the design workflow for research synthesis, copy exploration, and deliverable production.

Greenopia, Remote

June 2026 - Present

Part-Time UX/UI Designer

- Lead design across product, brand, and marketing for a sustainability data platform, shipping investor-facing deliverables that supported funding milestones.
- Developed the brand system now used across product UI, marketing site, and investor decks, cutting design turnaround and ensuring consistency.
- Partnered directly with the founding team to ship product UI, campaigns, and data visualization.

Jetzy, New York, NY

September 2025 - January 2026

UX/UI Design Intern

- Collaborating with the product team to design a new homepage that elevates the platform's travel-focused brand and improves user engagement.
- Creating wireframes and high-fidelity mockups that balance visual appeal with intuitive navigation.
- Applying user-centered design principles to ensure a cohesive experience across web and mobile touchpoints.

Scowtt, Kirkland, WA

UX/UI Design Intern

May 2024 - August 2025

- Built a complete brand identity system that reflects the company's mission and visual direction.
- Designed the full user interface for the company website, translating brand standards into an intuitive digital experience.
- Delivered a cohesive visual language and guidelines to maintain consistency across print and digital touchpoints.
